Virginia Commonwealth University is a public research university located in Richmond, the state capital of Virginia. VCU includes 11 schools, one college, and the Inger and Walter Rice Center for Environmental Life Sciences. The VCU Health System supports the university’s health care education and research mission.

VCU was founded in 1838 as the medical department of Hampden-Sydney College, becoming the Medical College of Virginia in 1854. In 1968, the General Assembly merged MCV with the Richmond Professional Institute, founded in 1917, to create Virginia Commonwealth University.

Today, VCU is one of only three Doctoral Research Universities-Extensive in Virginia, as ranked by the Carnegie Foundation. Sixteen graduate, professional programs also are ranked by U.S. News & World Report as among the best in the country.
